The BAMB Plan— “Hitting a Home Run in Butler”

The Butler Area Multi-Municipal Plan

This BAMB Plan is the result of two years of extensive efforts by municipal staff and elected officials from all five municipalities and Butler County; over a hundred volunteers who participated on the Steering Committee and Working Groups; just under 40 people who participated in Key People Interviews; over 350 residents who attended public planning sessions; and over 520 residents who responded to the community survey. It could not have been accomplished without the help of these dedicated BAMB Plan Area fans.
